

## *HRO Today* Recognizes GMS as a Top Relocation Company... Again!

*HRO Today's* Baker's Dozen rankings are based solely on feedback from buyers of the rated services; the ratings are not based on the opinion of the *HRO Today* staff. Feedback is collected annually through an online survey, which is distributed both directly to buyers through *HRO Today's* own mailing lists and indirectly by sending service providers the link to send to their clients. Overall ranking is determined by analyzing the results across three subcategories: features breadth, deal sizes, and quality. Using a predetermined algorithm that weighs questions and categories based on importance, *HRO Today* calculates scores in all three subcategories as well as an overall score. The rankings are based on those scores.
