

Global Mobility Solutions Announces New Visa and Immigration Services for Relocation Clients

SCOTTSDALE, AZ, USA, January 30, 2018 – [Global Mobility Solutions](#), the industry leader in [corporate relocation services](#) and [technology](#), is pleased to announce an enhancement to our state of the art technology platform, [MyRelocation.com](#): a new technology that provides relocation clients with industry-leading visa and immigration services.

This technology enables companies to seamlessly hire and manage their workforce across borders. As immigration continues to become more complex and the demand for foreign talent persists, the need for Global Mobility Solutions' services is immense and rapidly growing. Envoy Global's [2017 Annual Immigration Trends Survey](#) found:

- 55 percent of U.S. employers expect to increase foreign national hiring this year (up from 34 percent last year) and 59 percent of U.S. employers expect to increase overseas assignments this year.
- 63 percent of employers say sourcing foreign national talent is a very important talent acquisition strategy and 77 percent say it is an important part of filling their skills gap.
- 71 percent of companies have sponsored a foreign national for a green card and 66 percent sponsor the green card within the first year of service.

“Global Mobility Solutions is very pleased to provide this extremely valuable service for our clients,” stated Steven Wester, President of Global Mobility Solutions. “Our mobility expertise and high-touch service model give our clients the best relocation experience in the industry, and our new technology-enabled visa and immigration services make it easy for our clients to hire and manage their international workforce.”
