

## Global Mobility Solutions Announces New Concierge Service to Help Relocation Clients Save on Utility Services

SCOTTSDALE, AZ, USA, March 22, 2018 – [Global Mobility Solutions](#), the industry leader in [corporate relocation services](#) and [technology](#), is pleased to announce a new concierge service to help its relocation clients save time and money on their utility services.

The new concierge service lets clients schedule and set up their utility services in less than five minutes, without ever waiting on hold. The technology pulls prices and plans directly from providers, guaranteeing accurate data. Clients receive all the options in one place, providing them with a simple and easy one-stop experience to set up all of their utility services.

Clients are able to get the service dates they desire and the plans that benefit them the most. This user-friendly service saves clients time and money in the most efficient way possible.

“Our team members are very excited to share this new concierge service with our clients”, stated John Fernandez, Executive Vice President of Global Mobility Solutions. “At no cost to our clients, they now have access to a highly valuable service that will save their employees time during the relocation process, and money through optimal utility service setup.”
