SCOTTSDALE, AZ, USA, February 12, 2019 – [Global Mobility Solutions](#) (GMS) recently hosted its annual forum, an event recognizing members of its Premier Alliance Network – an elite partnership of relocation service providers. This year's forum was held on Thursday, February 7, at the W Hotel in Scottsdale. This year's theme was "Together Towards Tomorrow," and the forum focused on current trends and the future outlook for the relocation management industry.

"GMS is extremely proud of our superior network of partners," said President Steven Wester. "It is due in large part to our partners that GMS continues to outpace the industry in growth, service, and client satisfaction. Our forum is a great venue to review current trends and discuss how the mobility industry will change in the future. We are also pleased to honor top-performing partners within our network, and extend support to worthy causes in the communities we all serve. Our 2019 event exceeded our expectations and was highly successful all around."

Raffle prizes, which were all donated by members of the Premier Alliance Network, included Apple AirPods, MVMT men's and women's watches, a weekend getaway (including accommodations, car rental, and \$500 gift card), Sonos One two room set of speakers, a Kate Spade tote bag, an Away luggage gift card, DrinKup Smart water bottles, and an Ember® travel mug.

“We are so very grateful to GMS and its Partners for their continuing support with this amazing gift,” remarked Lisa Notaro, Chief Development and Community Relations Officer at St. Mary’s Food Bank. “Nearly 500,000 Arizona children do not know if they will have dinner on any given day. This gift will help feed 58,000 of them a wholesome and nutritious meal.”
