

Global Mobility Solutions Receives 2019 Relocate Award for Technological Innovation

SCOTTSDALE, AZ, USA, May 22, 2019 – [Global Mobility Solutions](#) (GMS), the industry leader in [corporate relocation services](#) and [technology](#), is pleased to announce that Relocate Magazine has named GMS as the winner for this year's Technological Innovation – Corporate Support Award in their twelfth annual Relocate Awards.

"GMS is excited to receive Relocate Magazine's 2019 Technological Innovation – Corporate Support Award, especially after recently earning the coveted top spot in the 2019 HRO Today's Baker's Dozen list; ranked #1 Overall, and #1 in Quality of Service for relocation companies," said Steven Wester, President of Global Mobility Solutions. "GMS is the undisputed pioneer and leader in relocation technology, and this award is further proof of our team's commitment to innovative and ground-breaking solutions with our new MyRelocation™ OnDemand portal."

GMS continually improves and evolves its industry-leading MyRelocation™ technology platform, challenging the relocation industry to keep pace with clients' needs. The GMS approach is guided by a client panel with input from transferees to understand what is important to them for their relocation technology. By listening to clients, investing in innovative technology, and providing the industry's best customer service, GMS has become the relocation industry's leader.

The Relocate Awards from Relocate Magazine were launched in 2007 as the first awards program for the global mobility and relocation sector. The Relocate Awards recognize excellence, celebrate the contribution of relocation to business, and reward best practice. Winners were recognized at a Gala Awards Dinner held on Wednesday May 15 at the St. Pancras Renaissance Hotel in London, UK.
