"GMS is proud to be placed on Relocate Magazine's shortlist for Excellence in Technology or Analytics – Corporate Award, especially after recently earning Top 3 ranking in the 2020 HRO Today's Baker's Dozen list for relocation companies," said Steven Wester, President of Global Mobility Solutions. With MyRelocation® Analytics, our clients don't just view their mobility programs statistics; they can fully explore the data to gain valuable and actionable knowledge.

The Relocate Awards from Relocate Magazine were launched in 2007 as the first awards program for the global mobility and relocation sector. The Relocate Awards recognize excellence, celebrate the contribution of relocation to business, and reward best practice. Winners will be announced at the Virtual Relocate Awards Ceremony on Tuesday, May 12, during an enjoyable and entertaining virtual event designed to celebrate achievement across international management and the global mobility sector.
